Production Guide

A natural film set
with a wide variety of
environments all in
just 5.000km²

Snow-covered mountains, incredible beaches,
forests, cities, cultural heritage, caves...
all waiting to be explored.

Our landscape will play a major role

Cantabria has been described as “the dream film set” as it has incredible settings that will captivate filmmakers and producers alike.

30% to 25% Tax rebate for foreign productions

At least € 1 million euros must be
spent in Spanish territory (200.000
Animation & VFX).

Rebate cap of € 10 million.

Mobility

A modern and reliable road network.

Severiano Ballesteros International Airport
connecting Santander with Spain & Europe.

Ferry to/from England.

Train 4 hours to/from Madrid.

Cantabria
has much to offer

We are here to help your project become reality
